MARTINE EMDUR

Emdur's seascapes featuring floating women have always been singularly beautiful with their weightless, Ophelia-like overtones but in this show her work takes on a more provocative edge with multiple, occasionally intertwined naked bodies. "Martine's paintings celebrate aquatic liberation," says gallerist Tim Olsen. Detail from *Sage* pictured below.

Tim Olsen Gallery, 63 Jersey Road, Woollahra, 9327 3922. Mon-Fri, 10am-6pm; Sat, 10am-5pm; Sun, noon-5pm, until July 4.
